The EH&S Roundtable provides an informal setting for industrial and commercial facility managers with EH&S responsibility to receive the latest information on timely issues—and share insights with their peers.

Who Should Attend?

The EH&S Roundtable series is designed to foster information exchange among Environmental, Health, and Safety professionals active in the industrial and commercial sectors. The informal setting will encourage candid interchange among presenters and participants. Benefits are expected to be greater understanding of the compliance challenges facing facility owners and operators, and a sharing of “real world” best practices.

Program Schedule

- 7:30 a.m. Registration/Continental Breakfast
- 8:00 a.m. Basics of TRI Reporting
- 8:20 a.m. Common Mistakes
- 9:00 a.m. How to Appropriately Respond to TRI Reporting Errors
- 9:15 a.m. Questions/Discussion
- 9:30 a.m. Adjourn

JODI ARNDT

Jodi focuses her practice on environmental and employment law issues. As part of her environmental law practice, Jodi advises business clients on a wide range of environmental matters, including due diligence transactions, corporate compliance, application for environmental permits, and remediation activities. Jodi has presented numerous training seminars on environmental issues, and has defended claims under the various environmental laws. Jodi currently serves as the secretary for the Environmental Law Section of the State Bar of Wisconsin. She is the President of the Brown County Chapter of the Izaak Walton League. Jodi also volunteers in both local and state-wide civic groups and charities, including the Greater Green Bay Earth Week Coalition. She is admitted to practice in both state and federal courts in Wisconsin and is a member of the State of Wisconsin and Brown County Bar Associations.

RICK OSA, QEP

Rick manages Bonestroo's air quality and environmental management service line. He has supported clients' EPCRA reporting compliance (Tier 2 and TRI) for over a decade. These efforts have spanned a range of industries, including food processing, iron foundry, die casting, metal working, electrical assembly, and printing. Rick has provided technical support to clients involved in EPCRA enforcement actions in U.S. EPA Region 5 and assisted in implementing settlement terms, including TRI back-reporting. He drew upon this experience to provide a full day TRI training seminar for a Fortune 100 company's regional environmental managers.
